DETERMINATION OF NONSIGNIFICANCE - Green Mulch Environmental Excellence Program Agreement

Description of proposal:

Green Mulch Environmental Excellence Program Agreement, refer to SEPA check list and check list attachments for more information.

Proponent:

Land Recovery Incorporated (LRI)

Location of proposal, including street address if any:

The agreement only applies to "agricultural partners" per the conditions and restrictions in the agreement. As no one has become an agricultural partner to date, it is impossible to state a specific location.

Lead agency:

Washington State Department of Ecology

The lead agency for this proposal has determined that it does not have a probable significant impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for at least 15 days from the date below; all comments must be submitted by 4-25-98.

Responsible official:

Jim Pendowski

Position/title:

Program Manager, Solid Waste Financial Assistance Program.

Signature: Jim Pendowski

Date: 4/1/98

To Obtain Copies:

Electronic copies of the SEPA checklist, DNS and proposed Agreement, a Fact sheet, and the are available via the Internet. From Ecology's homepage, "<http://www.wa.gov/ecology>", link to the "Environmental Excellence Program". Hard copies of these materials are also available; phone Brenda Mercado at (360) 407-6095.

To Comment:

Submit specific comments by 04/25/98, via e-mail or postal mail, to:
